'The Grand Volunteer'

You may be asking, what is 'The Grand Volunteer'? Hot summer days, grandparents, great aunts, uncles and mentors are looking for activities for their children. MCC MRC is the perfect place to come for a few hours, model service to the next generation, stay cool and have fun together.

Over the summer we had several grandparents bring their grandchildren to pack school kits and hygiene kits. Everyone stayed cool on a hot summer day. The children were entertained for a couple of hours and the grandparents left exhausted!

Stay tuned for dates next summer when we will host several dates of 'The Grand Volunteer'

Meat Canning 2025

Every year MCC's mobile meat canner travels across the U.S., and volunteers join together to prepare cans of turkey, beef, chicken and pork.

This is a great way for your Sunday school class, business, school or non-profit to volunteer together.

Dates and sign-up details going soon.

My Coins Count

Each year, spare change collected by children, families and churches adds up to more than \$600,000 toward MCC's water projects around the world. Your coins count! Collection jugs are available the beginning of November or be creative. You can use a large container – one church used a wheelbarrow – to collect change over time. Others make posters or charts to track their progress, set goals and have fun rewards for meeting them. Call 267-203-8074 for more information.
